## THE TEASERS: THE KIDS STRING BOBBY INSTEAD.

Bobby: Here's where I string the kids.

When I get the kids seated I'll pull the string to the ash-pan and then dump this water on them.

AINT HE KIND!  
Here, kids, sit right down on this bench and I'll take your picture for nothing

Bobby (aside) They are so easy it's almost a shame to do it

Marjorie: Gracious! Bobby, I caught my foot in your camera string.

Ha! Ha! Ha! Bobby, I guess you were only stringing us about taking our pictures, weren't you?
